Software License Agreement  
for Chemyx Syringe Pump Controller Software

The software is provided by Chemyx, Inc. and the developer, HTCVC Information LLC, “as is” and any express or implied warranties, including, but not limited to, the implied warranties of merchantability, non-infringement, or fitness for a particular purpose are disclaimed. In no event shall the developer or contributors be liable for any direct, indirect, incidental, special, exemplary, or consequential damages (including, but not limited to, procurement of substitute goods or services; loss of use, data, or profits; or business interruption) however caused and on any theory of liability, whether in contract, strict liability, or tort (including negligence or otherwise) arising in any way out of the use or misuse of this software, even if advised of the possibility of such damage.

Chemyx, Inc. and HTCVC Information, LLC shall have no liability with respect to the content of software or any part thereof, including but not limited to errors or omission contained therein, libel, trademark rights, business interruption, loss of privacy, or the disclosure of confidential information.
